

## Penryn House - Car Parking Notice

Driving in Cornwall you get used to small spaces and our car park is no exception. We do have room for all, if everybody parks carefully. The diagram below indicates where the spaces are and the numbers indicate which spaces should be occupied **in order** 1<sup>st</sup> to 12<sup>th</sup> (in an ideal world). The arrows indicate the ideal way (or only way for spaces 1, 2 and 3) to drive in and angle of car – the arrowhead being the front of the car. Please park as close to your neighbour, fences and walls as possible, so that we do not have to ask you to move. If you would prefer we would be happy to park your car for you.
